## **SIELE Accredited Examination Centre**

Spanish Express is one of the seven accredited Spanish SIELE Exam Centres in the UK.

You can **take the exam** in our centre in London or remotely, and **prepare for it** with us by enrolling on 1 of our 4 private tuition programmes:

### **1. On a monthly basis:**

You can choose how many hours of tuition you want per week. The times and dates are arranged between the student and the teacher. However, once the time slot has been fixed, the tuition must take place on the same day and time every week.

**Fees from £45 per hour**

### **2. Pay as you go:**

You can book however much tuition time you need, whenever you need it, without committing to a regular weekly time slot. The times and dates are arranged between the student and the teacher and these can be flexible.

**Fees from £55 per hour**

### **3. 4-hour exam preparation course:**

We work for 1 hour on each of the following: writing, listening, speaking and reading comprehension. This programme is ideal for students who have already completed a SIELE course and need a final revision a few days prior to the exam. The times and dates are arranged between the student and the teacher-examiner. These must take place within a maximum of two weeks and be completed at least 72 hours before the exam.

**Fee £190 for the course**

### **4. Spanish Homestay Immersion Programme (SHIP):**

You can make the most of your immersive stay and prepare for and take the SIELE exam whilst you are staying with us in Spain. What better way than to top off your educational holiday with an official Spanish qualification?

**Fees on enquiry**

What is **SIELE**?

SIELE is the **International Service for the Evaluation of the Spanish Language** that certifies electronically the command of this language for students and professionals.

It is promoted by the **Cervantes Institute**, the **Autonomous University of Mexico**, the **University of Salamanca** and the **University of Buenos Aires**.

These institutions **guarantee the standards** for quality and best practice in the creation of the tests and the use of diverse linguistic varieties in the Hispanic world.

SIELE certifies the degree of proficiency in the Spanish language with four tests:

- **Reading comprehension**
- **Listening comprehension**
- **Written expression and interaction**
- **Spoken expression and interaction**
