WE ARE THE EXPERTS

Welcome to our **Spanish Homestay Immersion Programme (SHIP)** in the Barcelona province!

The **Spanish Homestay Immersion Programme (SHIP)** is our hands-on alternative to **Spanish Intensive Courses**. Live and breathe the Spanish way of life and immerse yourself in Spanish culture.

This programme is offering you a truly unique opportunity to **LIVE** and **LEARN Spanish** in your **TEACHER'S HOME** in **BARCELONA PROVINCE!**

ABOUT YOUR HOST TEACHER IN BARCELONA

My name is **María Fernanda de Miguel**, but for all my friends and family **I am Nanda**. I was born in Barcelona and since 1984 I lived in the beautiful town of **Castelldefels**. It is situated just 18 kilometres outside of Barcelona, on a stretch of coastline known as the Costa del Garraf.

I studied Hispanic Philology at the University of Barcelona because I have always liked **literature and reading**, especially our classics of the Golden Age. I also love crime novels, from Poe to J. Nesbo.

In my spare time I write and **in 2021 I published my first cook book**. I love to practice swimming and pilates, two very important activities for me because they allow me to keep my body and mind in shape.

Another of my passions is Mediterranean cuisine, **I love cooking and I enjoy inviting my friends and family around a good table**.

In 2013 I started teaching ELE classes sporadically; but **since 2018 I am professionally dedicated to teaching Spanish language**.

IMMERSION BENEFITS

What are the benefits of our Spanish Homestay Immersion Programme (SHIP) * Live & Study Spanish in your teacher's home*?

Living and studying a language in your teacher's home can offer a number of benefits, including:

1. **Immersion:** Living with your teacher provides an immersive experience, allowing you to be constantly surrounded by the language and culture you are studying. This can accelerate your learning and help you to develop natural speaking and listening skills.
2. **Personalized learning:** Living with your teacher allows for personalized and tailored instruction. Your teacher can focus on your individual needs and work with you to improve your weaknesses.
3. **Cultural experience:** Living with your teacher provides a unique opportunity to experience the culture firsthand. You can learn about customs, traditions, and ways of life that are not easily learned in a classroom.
4. **Practice outside of class:** Living with your teacher provides ample opportunity to practice the language outside of class time. This can include informal conversations at meal times or while doing activities together.
5. **Convenience:** Living with your teacher eliminates the need for commuting to and from classes, allowing you to spend more time studying and practicing the language.

Overall, living and studying a language in your teacher's home can be a highly effective way to learn a language, as it offers an immersive and personalized learning experience, as well as a unique cultural experience.

STUDENTS' TESTIMONIALS

TIFF

For me, learning Spanish with Nanda **was a really fun** experience.

Visiting Nanda's home, in Castelldefels, a suburban town of the Metropolitan Area of Barcelona, was the **perfect opportunity for me to really enhance my Spanish**. I was able to explore the metropolitan and diverse city of Barcelona, whilst being based in a hub of authentic Spanish culture 24/7.

Living in the home of my teacher was an unforgettable cultural and fun experience. Immersion in the culture boosted my Spanish confidence and made for an unforgettable vacation. There is no better way to experience Spain.

I have visited Spain a few times in the past and Nanda has showed me another area of the province of Barcelona that I have never visited before. Castelldefels is situated just 18 kilometres outside of Barcelona, on a stretch of coastline known as the **Costa del Garraf**.

What I liked the most was the **Castle**: a frontier fortress built to defend the Carolingian Empire's frontier against neighbouring Muslim territories, particularly the Caliphate of Córdoba.

What I like the most about **Spain is the culture**, the food and the art and I highly recommend studying at your teacher's home because you learn in a friendly environment.

DAVID

NICK

I want to be able to communicate properly with my in-laws in Spanish, so I need to be integrated into the language community. What I like best about Spain is its **culture, food, and language**.

I would recommend staying at your teacher's house because you can learn a lot in a short period of time and improve your vocabulary by speaking constantly while immersed in the language and culture.

OTHER IMPORTANT INFORMATION

HEALTHCARE

EU residents are entitled to free health care while in Spain for holidays or for the first three months of their stay, so long as they can provide an EHIC (European Health Insurance Card). This will cover any immediate treatment needed. Medical conditions that do not require immediate treatment might incur charges. The EHIC card is not valid for health care in Spain if the holder is a Spanish resident.

The card only covers you for publicly-funded health care in Spain, not private, so make sure that the clinic or surgery you attend is aware of this, especially if both public and private services are on offer. Also, should you need an ambulance, make sure that it takes you to a hospital that offers treatment that the EHIC card will cover.

ENGLISH-SPEAKING DOCTORS & NURSES

It is possible, but not guaranteed, that you will find an English-speaking nurse or doctor in most hospitals. If an English-speaker is not available, most health services, particularly those in touristy areas, will provide an interpreter at a cost. In some regions, doctors refuse to treat patients who cannot speak Spanish unless they have an interpreter, as it can double diagnosis time. Finding an English-speaking doctor in a private hospital is almost guaranteed.

ENGLISH-SPEAKING DENTISTS

Visits to the dentist must be paid for in Spain and are not available under the state system except in certain circumstances. Children aged 6 to 15 years old have the right to a free dental health programme. In popular expat areas along the coast, several dental practices cater to English speakers. Private dental work in Spain tends to be cheaper than private dentistry in the UK.

PHARMACIES

Pharmacies are everywhere in Spain, even in the smallest villages, indicated by an illuminated green cross. The prescription service is much more relaxed than in the UK, with many items that would require prescriptions in the UK available over the counter. These include antibiotics and asthma inhalers, as just two examples.

CONTACTS

The Department of Health has two offices in Spain, which can deal with health care enquiries from British nationals either visiting or living in Spain. You can find more details at healthcareinspain.eu.

VISAS

What documentation is required to travel to Spain?

The documentation required to travel to Spain varies according to the country of origin. If you are a citizen of an EU country, Switzerland, Norway, Iceland or Lichtenstein, you will need a valid passport or ID card. Additionally, in the case of a minor travelling with an ID document, this must be accompanied by written permission from the parents. If you come from another country: the maximum stay in Spain is 90 days.

There are several countries whose citizens are required to have a valid current visa to enter Spain.

You can check them on this list:

<http://www.exteriores.gob.es/Portal/es/ServiciosAlCiudadano/InformacionParaExtranjeros/Documents/listapaisesvisado.pdf>

Citizens of these countries can also travel to Spain if they have a residence permit or a long-term visa issued by another country in the European Union (except the United Kingdom, Ireland, Romania, Bulgaria and Cyprus), Switzerland, Norway, Iceland and Lichtenstein.

Citizens of all other countries must have documents that justify the object and the conditions of their stay and show they have sufficient economic resources for their maintenance throughout the period they are intending to remain in Spain. The documents they are required to present will vary according to the motive for the trip.

Nearest airport: Barcelona (BCN)

It is advisable to take out travel insurance for your trip.

Given that conditions may vary, we suggest you contact the Spanish Embassy or Consulate to verify these requirements before you start your trip.

WEATHER

Barcelona has a Mediterranean climate with mild winters and hot summers. Its average annual temperature is 21.2°C during the day and 15.1°C at night. In the coldest months, January and February, the temperature ranges from 12 to 18°C during the day and 6 to 12°C at night. In the warmest months, July and August, the temperature ranges from 28 to 32°C during the day and from 20 to 24°C at night.

Tip!

The weather is pleasant for most of the year. However, you'll experience the absolute best weather from April to the end of June making these months particularly attractive for a visit to the city.
