SUMMER CAMP

12-17

Language Adventure for 12-17 years old

Discover the vibrant world of our summer camps designed for children aged 12 to 17. Immerse yourself in the Spanish language, forge international friendships, and create memories that will last a lifetime!

Experience the thrill of exciting summer journeys. Our international summer camps in Spain are meticulously crafted to expand language and cultural horizons. We aim to empower young adventurers, providing them with the confidence and freedom to connect and enrich their lives alongside peers from diverse countries.

Dynamic Learning Adventures

At our core, we believe that learning should be an enjoyable experience for teenagers. That's why our classes are infused with dynamism, incorporating games, books, CDs, and DVDs. Delving into our culture, we cover aspects such as food, traditional festivities, and sports.

Each day begins with lively discussions about the previous day's activities and an exciting preview of the day ahead. This approach not only makes the classes fun and dynamic but also taps into the children's natural curiosity, making activities their key motivator.

PROGRAMME OVERVIEW

Morning Spanish Classes:

Embark on a language journey with 15 hours of weekly classes, featuring engaging 3-hour lessons led by native Spanish teachers.

Afternoon Activities:

Immerse yourself in Spanish through a variety of activities such as kayaking, water parks, hiking, ropes and ziplines, cooking workshops, flamenco dance, horse riding, Gimkanas around Madrid and Retiro Park, and a visit to Segovia.

Accommodation:

Experience a unique stay in a house or camp with a pool, sports areas, and gardens, where each child resides alongside dedicated staff, including teachers, assistants, and the principal.

Counselors:

Engage in guided conversations with native Spanish teenage counselors, with a low student-tutor ratio of 1 or 2 students per counselor. Counselors actively participate in all activities and trips, providing ample opportunities for students to enhance their conversational skills. Forge lasting friendships through shared experiences and fun moments.

Weekend Adventure:

Spend the weekend under the starry night sky in the enchanting Mountains of Madrid.
